Heating, Ventilation, Air Conditioning and Refrigeration Job Information

PROGRAM DESCRIPTIONS

Residential HVAC Technician

Qualified Federal Financial Aid Program

Learn all aspects of residential heating and air-conditioning, including installation, maintenance, and repair of split systems, air-to-air heat pumps, electric resistance heating, standard and high efficiency furnaces, humidification, and filtration.

Refrigeration Technician

Qualified Federal Financial Aid Program

Food preservation and cold storage are the focus of this program. Domestic and light commercial refrigeration are covered, including commercial reach-ins, walk-ins, supermarket, and specialty units.

Designing and Installing HVAC Systems

Qualified Federal Financial Aid Program

Teaches heat loss and heat gain calculations for single and multifamily structures. Learn methods based on ACCA manual J-7, J-8. ACCA manual D is used to design system ducts. Hands-on training with Wright-soft HVAC design software is included.

Other Available Programs

Analyzing and Controlling Air Quality and Ventilation

Commercial and Residential HVAC Technician

Commercial HVAC

Commercial Refrigeration

Fundamentals of HVAC/R

Manual J and D + Right Suite

Recovery and Reclaim (EPA Certification)

Residential Forced Air Heating

Wholesale supply houses

ADVISING

Contact John Cleary at John_Cleary@dpsk12.org or call Lydia Melvin at 720-423-4712 for an appointment.

FINANCIAL AID

Available through the Financial Aid Office.

Call 720-423-4744 for information regarding the types of aid available for this course/program.

START COLLEGE HERE

Transfer up to 42 program credits to a Colorado community college, complete the five required academic courses, and earn an Associate's of Applied Sciences Degree.

Americans with Disabilities Act and EGTC Compliance

The Americans with Disabilities Act prohibits discrimination based on disability in admission to, access to and the operation of programs, services or activities at EGTC. The college is committed to providing an environment where students have the opportunity to attain their educational goals. EGTC provides both physical and programmatic access for all students. Reasonable accommodations will be made in instructional delivery and evaluation methods to ensure full educational opportunities for students. Appropriate documentation of a student's disability is required.

Questions, complaints and requests for additional information may be directed to Eileen Ashford, Special Needs Advisor, 720-423-4742 or email at Eileen_Ashford@dpsk12.org.

To learn more about how to request an accommodation and our special services, please refer to our 2011-2012 catalog, Advising and Counseling on page 8 or go to our website, www.emilygriffith.edu.
